From the Campus Safety Director

Thank you for taking the time to read this Annual Security Report. The Annual Report is distributed with the intent to provide you with safety and security information about our campus. The Annual Report also contains the crime statistic for the campus as well as the Department of Campus Safety basic policies and procedures. As you evaluate the report you will find Northwest Nazarene University is an extremely safe environment.

It is the Mission of the Safety Department to serve the University community by performing assignments in a professional manner, and it is the campus community to which the department is ultimately responsible to. The department attempts to protect the property and the rights of all members of the University, to be free from criminal attack, to be secure in their human and civil rights and possessions, and to provide a safe and secure environment to study, work, and live.

Our department's motto is "Honesty, Integrity, and Trust." This motto depicts the standard of Northwest Nazarene University and the Department.

Here at Northwest Nazarene University we believe it is every individual's responsibility to remain involved in the safety and security of the campus community. You must remain alert to your surroundings at all times and report any unusual behavior or incidents immediately.

Office Locations and Hours Operation

The Campus Safety Administrative Office and Identification Card Office are located just south of Ford Hall at 615 E. Bird Ave. Our Patrol Division operates out of the South Nampa Police Substation. The Substation is located on the southwest side of the campus adjacent to NNU Olsen Apartments and the soccer field at 916 Maple Street.

For "Emergencies", safety escorts, or immediate facility access needs please contact the 24/7 "Campus Emergency" phone line at **208.467.8911** or on campus **8911**. The emergency line is monitored 24 hours a day 365 days a year.

Campus Safety Administration is available by appointment Monday-Friday 8:00 a.m. - 5:00 p.m. or by calling 208.467.8550 or on campus 8550. The Campus Safety Administrative Office is closed on holidays.

The ID and Card Access Office hours are Monday-Friday 9:00 a.m. – 6:00 p.m. The office can be reached by calling 208.467.8833 or on campus 8833. The office is closed on holidays.

Campus Safety's Primary Responsibilities

Campus Safety focuses on three primary areas of responsibility. The first area of responsibility is Emergency Response. Campus Safety performs basic first responder tasks, coordinates emergency services, facilitates emergency scenes, assists emergency personnel, assists local law enforcement as needed, and serve as liaisons between first responders and the University.

Secondly, through patrol methods and community policing the department focuses on and communicates with the outside general public. When necessary, redirects or refers community related incidents to local law enforcement agencies.

The last area of focus is Loss Prevention and Crime Prevention. The department performs audits of the campus and makes recommendations to the executive administration for improvement. Such as increased lighting, shrub or tree removal, and public safety hazard removal or repair.

Campus Safety Officers on campus are not sworn law enforcement officers, although many of their duties and responsibilities are similar. Safety Officers are considered citizens and only have the authority to make citizen arrests. NNU Campus Safety's jurisdiction is restricted to the campus and university owned or leased property. Criminal incidents are referred to the Nampa Police Department.

Campus Safety Officers have the authority to ask persons for identification and determine whether individuals have lawful business at Northwest Nazarene University. Safety Officers have the authority to issue on-campus moving and parking citations, which are collected through campus mail with the provided payment envelope. After five days, unpaid parking and moving violation fines are charged a five dollar late fee for every month not paid. All unpaid fines and late fees are turned over to the University Business Office and billed to financial accounts.

Campus Security maintains a strong professional relationship with the Nampa Police Department and, when requested, assist with campus related criminal investigations and act as Community Service Officers in the South Police Substation.

The Campus Security Act, Legal Requirements

The Campus Security Act requires all Colleges and Universities to:

- Publish an annual report every year by Oct 1, which contains three years of campus crime statistics and certain campus security policy statements.
- Disclose crime statistics for the campus, public areas immediately adjacent to or running through the campus, and certain non-campus facilities and remote classrooms. The statistics must be gathered from campus police or security, local law enforcement, and other University officials who have "significant responsibility for student and campus activities."
- Provide "timely warning" notices of those crimes that have occurred and pose an ongoing "threat to student and employees."
- Disclose in a public crime log "any crime that occurred on campus or within the patrol jurisdiction of the campus police or the campus security department and is reported to the campus police or security department."

Crime Statistics

Northwest Nazarene University Campus Safety is responsible for preparing and distributing the annual report and crime statistics. All crimes and incidents are reported in accordance and with Uniform Crime Reporting procedures and the Jeanne Clery Disclosure of Campus Security Policy and Campus Crime Statistics Act as required by the United States Department of Education. Clery Act Crime Statistics are compiled January 1-December 31, and updated by October 1, of each year. Clery statistics are located on the Northwest Nazarene University web site at <http://www.nnu.edu/offices/campus-safety/annual-security-report-crime-statistics/>

Campus Sex Crimes Prevention Act

In accordance with the Campus Sex Crimes Prevention Act: Pub. L. No.106-386, section 1601(b) and (c), 114 Stat. 1537, 1538 (to be codified at 20 U.S.C. section 1092(f)(1) and 42 U.S.C. section 14071(j)), members of the campus community may obtain information of registered sex offenders at the campus security office, the Idaho State Police web site <http://www.isp.state.id.us>, or from the Canyon County Sheriff's Office located at 1115 Albany in Caldwell, ID 83605.

Reporting a Crime or Incident

The Department of Campus Safety at NNU responds to campus-related incidents and notifies the Nampa Police Department when necessary. To be sure that appropriate action can be taken, it is important that all incidents on campus be reported to the Security Department.

The University strongly encourages victims and witnesses to report all crimes and incidents to the Department of Security regardless of their nature. Prompt reporting of suspicious activity can avert crime. If an individual's actions are out of character and you become suspicious, call Campus Safety. A Safety Officer will assess the situation and take appropriate action.

Crime occurring on campus can be reported confidentially at the Campus Safety Administrative Office located just south of Ford Hall at 615 E. Bird Ave. or by contacting our Campus Safety Patrol Division located in the South Nampa Police Substation at 916 Maple Street. The facility is just west of the NNU Olsen Apartments and adjacent to the NNU soccer field or by calling Campus Safety any time of the day or night at (208) 467-8911. Incidents and crimes can also be reported confidentially online to the Campus Safety Director at <https://www.nnu.edu/offices/campus-safety/incident-reporting/forms/incident-report/>

Crime occurring off campus should be reported immediately to the Nampa Police Department. For emergencies requiring police, fire, or medical aid call 9-911 immediately and then report it to Security by calling 8911. An officer will respond and assist the proper authorities.

Reporting Campus Hazards

So personal injuries are kept to a minimum, we encourage you to contact Campus Safety if you see any types of chemical or physical hazards on the NNU campus. With your help, Campus Safety will be

able to assess the danger, and notify the appropriate people quickly.

Timely Warnings

In the event that a situation arises, either on or off campus, that in the judgment of the NNU Executive Administration or the Campus Safety Director constitutes an ongoing or continuing threat, a campus wide "timely warning" will be issued. The warning will be issued through the university email system to students, faculty, and staff.

Depending on the particular circumstances of the crime, especially in all situations that could pose an immediate threat to the community and individuals, Campus Safety may post notices on building entrance doors, in resident hall lobbies, on campus bulletin boards, or deliver by word of mouth assisted by campus administrators, faculty, staff, or students. Anyone with information warranting a timely warning should report the circumstances to Campus Safety immediately by phone 467-8911.

Sexual Assault and Rape

Victims of sexual assault or rape are strongly encouraged to report offenses immediately. Sexual assault is any sexual act directed at another person, forcibly or against that person's will. Rape is gaining carnal knowledge of an individual, forcibly and without consent.

If a rape has occurred, it is important that the victim follow these guidelines:

1. DO NOT shower.
2. DO NOT change clothes.
3. DO NOT disturb the area where the rape occurred.

NOTE: this is to preserve as much evidence as possible.

The victim should seek medical attention. On campus, students can receive assistance from Campus Safety, Office for Student Development, a Resident Director, or the Student Counseling Center. Employees can receive assistance from Campus Safety, Office of Student Development, or the Office of Human Resources.

Off campus, you can receive assistance from the Nampa Police Department. They will give you instructions on what you need to do and give you any other important information and contact numbers.

If you or someone you know finds yourselves in a situation where a partner, parent, or friend is abusing you, there is help a phone call away. This University strongly encourages you to tell someone if something

has happened to you or someone you know. Remember, you are never at fault for what another person does to you. Don't suffer in silence let someone you trust know.

NNU Campus Safety will provide you with options for what to do, and we will notify the proper authorities. Aside from calling Campus Safety, Mercy Medical Center can assist you with your medical needs. The Valley Crisis Center can provide you with anything from court help to counseling and support. In extreme situations they also have a safe house.

Changing Living and Academic Situations

A student who is a survivor of a sexual assault or relationship violence requests a change in her or his living arrangements or academic schedule, the Vice President of Student Development or the Vice President of Academic Affairs or their designee will assist the student. The Vice Presidents from both offices will make changes to a student's living or academic arrangements, as long as those changes are reasonably available.

Harassment / Hate Crimes

Northwest Nazarene University is committed to providing its employees and students with an environment that is free of harassment. Any form of harassment is strictly prohibited by the University and is against federal and state law. Examples of harassment are: hate crimes, sexual harassment, and any types of verbal or physical harassment. Northwest Nazarene University strongly encourages its employees and students to report any incidents of harassment immediately so that complaints can be resolved fairly and quickly. Students should report an incident to their Resident Director, the Director of Residential Life, or the VP for Student Development. University employees should report any incident to the VP for Student Development.

Work Place Violence

In an effort to provide a safe work environment for its students, visitors, and employees, it is the policy of the university that violence or perceived threats of violence or other intimidating conduct will not be tolerated. Examples of behavior or conduct that is in violation of this policy include, but are not limited to: intimidating, threatening, or hostile conduct, physical abuse, vandalism, arson, or sabotage. This is a "zero tolerance" policy. ANY reported event or perceived violation will be thoroughly investigated. Employees found to have violated this policy will be subject to disciplinary action up to and including termination

from employment. This policy also contemplates those employees who witness, but fail to report, potential violations may be subject to disciplinary action up to and including termination from employment.

Safety Escorts

Campus Safety Officers provide an escort to walk with you when traveling across the campus. To request an escort call 467-8911 (on campus dial ext. 8911) and an officer will meet you at your location.

Alcohol, Drugs, and Tobacco

Using, possessing, or procuring tobacco and/or alcohol are prohibited, on or off campus. Upon probable cause, students are subject to alcohol testing by a University Official. Refusal to comply with the testing when it is requested will be considered a violation of the University's policy against alcohol usage. Being in the presence of, using, possessing, or procuring illegal drugs or drug paraphernalia, and the improper use of prescription drugs is prohibited. Drug testing may be required when a student exhibits behavior that indicates there may be use of illegal drugs. Such "for cause" situations include, but are not limited to: (1) erratic behavior; (2) violent behavior, including altercations; (3) evidence of physical changes associated with drug use; (4) anything that can give someone a reasonable, sincere belief that the individual is using illegal drugs. With the approval of the Residential Life Board, Drug Testing Policy Process, and consultation of the VP for Student Development, a decision will be made whether a Urine Analysis or blood test should take place.

Alcohol and Drug Awareness education is provided at various times throughout the year by the Departments of Counseling and Health Services with assistance provided by Student Peer Counselors, Student Peer Health Educators, and Campus Safety.

Laws of the Land

The Nampa Police Department has authority to cite, apprehend, and arrest anyone involved in illegal acts on campus. Any non-student found on campus breaking Federal, State, or Local laws of the land (assault, burglary, drug use or distribution, rape, theft, under-age drinking, vandalism, weapons violations, etc.) will be apprehended by Campus Safety, placed under citizen arrest, and turned over to local law enforcement. Any student found by Campus Safety breaking the laws of the land will be referred to the Office of Student Development or local law

enforcement. All substances or objects will be confiscated and held for evidence.

Daily Crime Log

Campus Safety maintains a Daily Crime Log that records, by date the incident was reported, all crimes and other serious incidents that occur on campus, in a non-campus building or property, or public property, or within the department's jurisdiction.

The Daily Crime Log is available during regular business hours for public inspection at the Northwest Nazarene University Campus Safety Administrative Office, just South of Ford Hall located at 615 E. Bird Street.

The Daily Crime Log includes the nature, date, time, and general location of each crime reported to the department, as well as the disposition of the complaint, if this information is known at the time the log is created.

The department posts specific incidents in the Daily Crime Log within two business days of receiving a report of an incident and reserves the right to exclude reports from the log in certain circumstances.

On Saturdays, only facilities being used for classes are available for access from 07:00-18:00 or as needed for special classes or events. On Saturdays, only facilities being used for classes are available during scheduled class times. The campus is closed on Sundays and for holidays.

All dormitory entrance doors are locked and secured 24 hours a day seven days a week. Access is gained by key card access and is restricted to undergraduate on campus student residents, approved administrators, faculty, and staff from 6:00 A.M. -

12:00 P.M. After 12:00 P.M. dormitories are restricted to assigned residents only and approved administrators or staff. Non campus residents must make arrangements for access by contacting their student, the dormitory Resident Director, Resident Assistant, or by calling Campus Safety.

All vendors requiring access to resident halls and other campus facilities must register with Environmental Services. After registered, access will be granted during normal business hours and will be supervised by the club organization, department, or employee who arranged for service. After hours facility access for vendors must be approved by the Maintenance Manager, Custodial Manager, Department Administrator or by the campus employee who arranged for the service. Campus Safety will only grant access when notified in writing or by a phone call from the Maintenance Manager, Custodial Manager, or by the campus employee who arranged for the service.

With the exception of campus sponsored special conferences or events the campus and campus facilities are closed to all non campus members. Anyone from the community not registered as a vendor or visitor will be asked to leave the campus. However, with the following exception, community members are welcome to utilize the campus outdoors recreation areas and track from dawn to dusk. All non campus personnel minors under the age of 18 must be accompanied by a legal guardian or parent at all times. Unaccompanied minors found on campus will be asked to leave the campus and not to return. University Administration and Security reserves the right to terminate visitor access to the campus and campus facilities any time deemed necessary.

Crime Prevention Education and Awareness

Crime Prevention, personal safety, and theft education is sponsored by various campus organizations throughout the year. Prevention and personal safety literature is distributed and emailed to Administration, Faculty, Staff, and Students. Crime Prevention and safety education is provided by Campus Safety, Counseling Services, Campus Health Services, Campus Resident Directors, Resident Assistants, and the Department of Human Resources providing a variety of recommendations and helpful hints for personal safety and for protection against sexual assault and theft. Self defense courses are offered by the Department of Kinesiology and by the Department of Human Resources.

Personal Weapons, Firearms, Ammunition, and Explosive Devices

Items potentially hazardous to members of the campus community are prohibited anywhere on University grounds. These include, but are not limited to, guns, hunting weapons, live ammunition, fireworks or other explosives, swords, slingshots, pellet guns, and BB guns. (Request for exceptions to this policy must be reviewed and authorized in advance by the Director of Security, and will only include controlled University sponsored and supervised events.) A \$100 fine and loss of the weapon will be imposed for failure to comply with any of the above mentioned policy requirements. In addition to the above penalty, suspensions from the institution will occur if a person is involved in any gun violation by firing or displaying in any manner, which can be construed as threatening while on campus. Requests for exceptions to this policy must be reviewed and authorized in advance by the Director of Campus Safety, PRIOR to bringing a weapon to the campus and will only include controlled University sponsored and supervised events.

Recovered Weapons

All weapons recovered in campus housing will be stored in the Safety Department gun safe. All weapons are kept until the residential life judicial process or the employee investigation is completed. The weapon will only be returned when the Chair of the Residential Life Board, Director of Residential Life, and Vice President for Student Development, or the General Legal Counsel for the University notifies the Campus Safety Director and clears the weapon's return to the owner. However, the weapon is only returned when the student checks out of campus housing at the end of the semester or school year. All weapons not returned to the student or employees are turned over to the Nampa Police Department for disposal. All weapons found on campus from an unknown origin will be collected, tagged, and turned over to the Nampa Police Department as found property.

Weapons Storage Provision

In order for a student to possess a firearm or hunting weapon on campus, the student must be of legal age, have an Idaho hunting license, and completed hunter safety training. Students from out of state can do the same. All hunting licenses and hunter safety permits will be verified and copied for record when the weapon is checked in. The weapon can be stored in the safe free of charge.

The student can obtain their weapon any time; however an appointment must be scheduled 48 hours in advance. Weapons will only be checked out to the owner and only if the student has scheduled an appointment. Failure to schedule an appointment will result in the weapon remaining in the safe until an appointment can be scheduled. At the time of check out, the student will also schedule an approximate time the weapon will be returned. If the student fails to return the weapon, Campus Safety and the Resident Director will confiscate the weapon and the student will be fined as stated in the campus wide policy.

All registration forms must be filled out completely and signed by the student at the time of check in/out. Each time the student checks in or out the firearm they must fill out the forms. For the student's safety, all weapons must be brought to the Campus Safety/Police Substation in a case or bag. All firearms must have a trigger or gun lock installed at the time of check in.

Resident Hall Fire Prevention and Evacuation Information

Smoke detectors and sprinkler systems: All resident halls have smoke detectors and sprinkler systems installed and are controlled by a fire alarm control panel that is monitored by an outside alarm monitoring company. All fire systems are maintained by the University's Environmental Services and inspected annually by outside certified contractors.

Fire and Evacuation Drills: The Department of Campus Safety with the cooperation of Resident Directors and Resident Assistants conducts two fire/evacuation drills for each residence hall during the academic year. The University requires complete evacuation of buildings during a fire alarm or evacuation drill. Individuals who ignore fire alarms and required evacuations may face disciplinary action.

Room Entry

In the event it becomes necessary for a Campus Safety Officer to enter a student's resident hall room for disciplinary purposes, the following guidelines and circumstances must apply when entering.

- Health and safety.
- Essential maintenance.
- Disciplinary action. Major felony or theft in residence hall or wing.
- A reasonable effort will be made to locate an occupant of the room prior to entry.

A list of property taken must accompany the report. In the event the occupant(s) of the room are not present, a report should be made to the students who occupy the room.
- No student property may be confiscated unless clearly demonstrated to be in violation of specific health, safety, or disciplinary regulations. Property may be held only for evidential purposes and must be returned to the student after this use has been fulfilled, except for items not approved by campus regulations.
- Entrance into and search of rooms is to be performed by at least two officers and approval for entry must be granted by the Security Director or Student Development Administrator.
