Bookstore Intern

NNU Bookstore would like a motivated student to join our team! Training is provided and room to grow in the college bookstore industry is encouraged. Tasks include:

- General customer service to include front cash register
- Prepare purchase orders, receiving, invoices, credits and returns
- Potential opportunity to accompany manager to out-of-state college buyer’s market
- Use creativity and marketing skills to design apparel and general merchandise displays
- Take initiative to recognize a need within the bookstore. Subsequently, research how to fill and market that need, propose it, and then evaluate the overall success
- Research Store-in-a-Store, textbook trends, and current market structure within college bookstores
- Research brick and mortar college bookstores vs. virtual college bookstores

Submit your completed application to Gail Walker, Bookstore Manager in person or by email.
