1. Course Description:

This training will provide information on current trends in youth alcohol and substance abuse, including marijuana and inhalant trends and abuse, physical signs and symptoms, synthetic and over the counter drug information and identification, drug concealment, and clothing, logos and terms worn and used by youth users and abusers.

2. Educational Goals:

(Broad statements of what participants will achieve as a result of taking this class. Goals will be achieved by completing the learning objectives indicated below.)

- Recognize signs and symptoms of drug and alcohol use.
- Identify what is being sold, used and abused in your local community.
- Learn to work with community groups and organizations for intervention and prevention.

3. Learning Objectives:

(Specifically, what will participants be able to do as a result of this class? Measurable results for instructor to determine participants' grade.)

- Understand current trends in youth alcohol and substance abuse.
- Become familiar with everyday items consistent with drug use, abuse and concealment.
- Identify intervention and prevention strategies.
-

4. Course Requirements:

(A minimum of 15 student learning hours, to include at least one measurable learning product, required per credit earned.)

- Attend both full days of Conference training.
- Write and submit a reflection journal for each session you attend, summarizing information gained and how that information will be used in your professional setting.
- Submit assignment to Officer Jermaine Galloway - jermaine@tallcopsaysstop.com
