1. Educational Goals for the Course: This course goes beyond an understanding of the eight elements of a coordinated school health plan and provides support for the coordinated approach. In the course, participants will learn how to structure a coordinated approach, begin to investigate the change process, find resources to support school health efforts, and create an action plan for implementation.

2. Instructional Learning Objectives:
   Participants will:
   - Consider how to integrate the eight elements of a coordinated school health program.
   - Understand supports for and barriers to making change for a school health program.
   - Identify existing and potential resources for supporting student health.

3. Course Requirements: This course is available only to those who have registered with and purchased the course from ASCD (www.ascd.org, then select PD Online Courses)
   Participants will be required to:
   - Complete all lessons
   - Submit a reflection paper, detailing what was learned and how the knowledge will be applied
   - Submit reflection paper in a Word document attachment to:
