1. Educational Goals for the Course:

- This program provides a step-by-step strategy of how "Entrepreneurial Principals" in these school systems have provided the leadership and stamina to bring their schools from the low performing list to the high performing list. Learn how the Principal has been the constant component that has provided the vision and leadership to raise the achievement level of the most challenged students. Meeting the challenge of "No Child Left Behind" is not only the expectation; it is the reality in these high-performing schools.

2. Instructional Learning Objectives – Participants will:

(What will participants learn and put into practice as a result of completing this process?)

- Learn about the critical early years.
- Learn how to achieve success at the middle school level.
- Gain knowledge on community programs that connect students.
- Learn how to attain secondary success for all students.

3. Course Requirements – Participants will:

- Register with and purchase the course from Educational Impact (www.educationalimpact.com).
- Complete all course assignments, activities, and the final course assessment at www.educationalimpact.com.
- Collaborate with class colleagues on how the information gained can be implemented into their instruction in accordance with state standards and individual school goals. Identify specific goals and desired outcomes.
- Plan and implement the appropriate components into individual classroom environments.
- Maintain provided *Collaboration Study Log* documenting the required number of hours of collaboration and individual study beyond the video training.
- Submit their collaboration log complete with summary of reading, research, lesson planning, implementation, collaboration and results of implementation to the approved NNU adjunct course instructor.

4. Dates, Times and Location of Proposed Course:
