

**NOTICE OF CHANGES**  
To Your Blue Cross of Idaho  
Enrollee Certificate

*Please Read Carefully*

Dear Blue Cross of Idaho Enrollee:

This *Notice of Changes* is a summary of the changes made to your Enrollee Certificate. We encourage you to review it carefully. The changes will be effective July 1, 2009.

House Bill No. 108 passed by the Idaho State Legislature now requires health insurers change the eligible dependent age to 25 for an unmarried child who receives more than ½ of his/her financial support from the parent named on the healthcare contract.

As a result, Blue Cross of Idaho amended your policy to allow enrolled dependent children to remain on your policy until the end of the month they turn 25 years old.

If you have eligible, dependent children you wish to enroll, you must do so by August 31, 2009 or wait until the next enrollment period to apply. Coverage begins on the first of the month following receipt of the application.

Please attach this notice to your policy for future reference.

If you have any questions about this change to your policy, please feel free to contact your local district office at 800-462-7677.
