Criteria for awarding of scholarship

1. The purpose of this scholarship is for the recruitment and retention of students who show potential for academic success.
2. Scholarships may be awarded for subsequent years, up to a maximum of four, to students who otherwise might be financially unable to continue their college program.
3. Nominations are to be made by the Financial Aid Office for approval by the Scholarship Committee.
4. The general award requirements, including full-time student status and a minimum 2.5 GPA apply.
5. Students in all majors may be considered.
6. Preference shall be given to Colorado students.

A most satisfying way to honor a loved one or friend is to invest in a life yet to be lived. Gifts to NNC's Endowed Scholarship Program become a "helping hand" to students, as they prepare for their vocations and for lives of service to others.
