Jarod Seth Krohn was born in Twin Falls, Idaho on September 10, 1980. Through his childhood and teenage years, he was involved in many activities centered around his family and church. Jarod attended public schools for his elementary education, was home-schooled, and attended Magic Valley Christian High School. After completing high school, Jarod moved to Nampa with his family.

Known for always having a smile on his face and a song in his heart, Jarod found great joy in making others laugh. Because of his stature and his gentle spirit, Jarod was often described as a “gentle giant.” Jarod was an encourager, always willing to lend a helping hand. His greatest passion was being on top of a mountain on his snowboard. He also loved weightlifting, backpacking, and camping with family and friends in the Idaho mountains.

Jarod was a junior at Northwest Nazarene University studying recreational management with an emphasis in athletic training when he passed away as the result of a brain aneurysm on February 5, 2003, at the age of 22. At the time of his death, Jarod was employed at the Nampa Recreation Center as a weight trainer. It was a thrill for him to get paid for a job that involved one of his favorite hobbies.

Because of Jarod’s keen interest in recreation management and athletic training, it is his family’s desire to honor Jarod by awarding this scholarship to students majoring in kinesiology.
