This scholarship is established by Charles (Chuck) and Jean Livengood, out of their love for Northwest Nazarene College and the students it educates. Their history is deeply rooted in the Nazarene church. Jean is a third generation Nazarene and a graduate of NNC. Chuck is a second generation Nazarene and a graduate of Ohio State University.

Jean has been a career homemaker since the birth of their daughter, Sheri, who graduated from NNC in 1992. Chuck's career has been as a Mechanical Engineer, the major portion spent as a member of the engineering support staff of the Experimental Breeder Reactor II near Idaho Falls, Idaho, operated by the Argonne National Laboratory for the U.S. Department of Energy.

Criteria for the Award

1. The student must demonstrate a commitment to the essential mission of Northwest Nazarene College, "the development of Christian character within the philosophy and framework of genuine scholarship," a mission that is centered in the person of Jesus Christ.

2. A first or second year student shall have a GPA of at least 3.2. A third or fourth year student shall have a GPA of at least 2.8.

3. The student must maintain an academic load of at least 12 credit hours.

4. Preference shall be given to those students meeting the above criteria who show the most pressing financial need for financial assistance as determined by the Financial Aid Office.

5. Though the amount of the scholarship will not be sufficiently large enough to make such a consideration likely, it may be divided between students.
