The
Willard & Maude Mason
SCHOLARSHIP

This scholarship has been established by Willard and Maude Mason to provide assistance to students who are facing financial hardship.

For many years the Masons lived near the NNC campus and used this convenient location to identify with students, many of whom enjoyed home cooked meals in their home. After nearly 46 years in the janitorial supply business, they took special delight in providing financial assistance to scores of needy students over the years. As a result, many were able to remain in college and are now serving successfully in responsible assignments around the world.

The Masons modeled loyal churchmanship as they supported -- by their prayers, attendance and finances -- many churches across the northwest. "Give and it shall be given to you" was one of their favorite scriptures and they viewed their ministry as investing in others as they "laid up treasures in heaven."

Willard passed away May 4, 1991; Maude lives in a retirement home in Nampa.

Criteria for the Award

1. Applicants must have a demonstrated record of personal initiative and must reflect Christian commitment in their ideals and living.

2. Funds are provided to assist students who are experiencing extreme financial hardship and may be facing the possibility of withdrawing from college.

3. Nominations may be submitted to the Director of Financial Aid by the faculty or any interested party.
