The Phi Delta Lambda

SCHOLARSHIP

Founded in 1941, Phi Delta Lambda is the scholastic honor society for graduates of the colleges and universities of the Church of the Nazarene. The first chapter, Alpha Chapter, was established at Pasadena College, now Point Loma Nazarene University. Delta Chapter at Northwest Nazarene University adds to the honor society each year students who are among the top 15% of their graduating class and who are approved by the NNU faculty. The Delta Chapter included more than 1,200 members in 2001.

The purpose of Phi Delta Lambda is to promote scholarship and friendly relationships among the students and graduates of the colleges and universities of the Church of the Nazarene and to motivate and maintain the high ideals of learning, character, and Christian service. This purpose is portrayed in the name of the honor society: Phi represents the love of wisdom, Delta represents righteousness, and Lambda represents service.

The Phi Delta Lambda scholarship has been established in recognition of the society's commitment to these high ideals, and to invest in the lives and education of future honor students at Northwest Nazarene University.
