Rose Voget Thompson was a professor in the Business Department of Northwest Nazarene College from 1949—1957, teaching courses in office occupation. She was known as a demanding yet enthusiastic teacher who had a very special way of encouraging her students to attain more than they thought they could. Her Christian example and caring nature touched countless lives.

Rose believed in giving back, and urged her students to do the same. She sponsored Phi Beta Lamda, the college chapter of Future Leaders of America. Many of her students served as officers in the state organization. Rose was an active member of the Western Business Educators Association and for several years served on the board of this professional organization.

This scholarship was established by the students, friends, and associates of Rose Voget Thompson in honor of her faithful service to NNC and the students she taught.
