The
Ginger Wineman Memorial
SCHOLARSHIP

Ginger Wineman was born August 20, 1960 in Cincinnati, Ohio to Earl and Nelle Garrett. She graduated from Norwood High School in Cincinnati in 1978, then from Trevecca Nazarene University with a major in Religious Education. Ginger received a master’s degree in Religious Education from Nazarene Theological Seminary (NTS) in 1987. From 1987 through 1990 she worked at the International Headquarters of the Church of the Nazarene, Kansas City, in the area of Continuing Lay Training.

Ginger met Wil Wineman, a 1985 graduate of Northwest Nazarene University, at NTS and they were married on June 4, 1988. Wil and Ginger pastored churches in Nettleton, Missouri and Redlands, California, between 1988 and 1992. Wil entered the U.S. Navy as a Chaplain and they moved to Carlsbad, California in 1992. There Ginger began work at IDEC Pharmaceuticals, a then small company which later would manufacture Rituxan, a life-saving drug treatment for non-Hodgkin’s lymphoma.

Ginger Wineman loved her friends and family very deeply. At work, at church, at her children’s school and with her family, Ginger gave with very little regard for her own needs. She was uncommonly gentle and kind in spirit and in practice. With great inner peace, she exemplified a life in fellowship with Christ. On July 18, 2002 at the age of 41, Ginger succumbed to a battle with cancer.

Though a graduate of TNU, Ginger recognized “something special and different about NNU and its graduates.” Knowing of Ginger’s love for NNU and her concern that some students miss the opportunity of a college education because they cannot afford the costs, her family and many friends have established this scholarship as a living memorial to this amazing woman of God.
