Northwest Nazarene University **requires** the following four immunizations or screenings for all students. In addition, we encourage students to also have the immunizations listed in the “Recommended” section.

You may submit a copy of your immunization record; OR
You may have your health care provider complete this form.

If documentation of immunization is not available, or if a blood test indicates that you are NOT immune, you must be re-immunized. History of diseases is not acceptable documentation of immunity. Please include copies of laboratory reports, if titers are done.
