Art and Jean Horwood met at Michigan State University where Jean was a faculty member and Art was doing graduate work. They were married in June 1957, and for all but six years of their married life they were involved in Christian higher education.

Jean received her undergraduate degree from Ursinus College in 1952 and her Ed.M. from Temple University in 1955. Prior to coming to NNC she taught and coached at Upper Darby Junior High School, Michigan State University and Taylor University.

Roberts Wesleyan College was Art's alma mater in 1951. After four years as an instructor in the Navy, he taught at Roberts Wesleyan, Michigan State University, The College of William and Mary, Indiana State University and Taylor University. He completed his doctoral studies at Michigan State University.

The Horwoods came to Northwest Nazarene College in 1968 and retired in 1992. They initiated both the men and women's soccer programs. During most of their years at NNC they taught full academic loads while coaching a variety of sports. Their two sons, Keith and Bruce, are graduates of NNC and Point Loma respectively.

A most satisfying way to honor a loved one or friend is to invest in a life yet to be lived.
