Dr. Bob and Lois Mangum were married on June 21, 1938. Their entire married life was spent in service to God, ministering to the physical and spiritual needs of their fellow men and women.

Dr. Bob was born in Ballinger, Texas. At five years of age he moved with his family to Idaho, where he was educated at the Nazarene Academy, Northwest Nazarene College, and the University of Idaho. He received his medical degree from Washington University in St. Louis in 1938 and practiced medicine in Nampa until 1979.

Lois was born in Boise, Idaho and attended school in Melba. She received her normal school teaching certificate from NNC, where she also met her future husband. Lois taught at two small country schools until her marriage. In 1973 she received a Bachelor of Arts degree in Elementary Education from NNC, graduating at the same time as her youngest son.

Upon Dr. Bob's retirement in 1979, he and Lois served as missionaries in Papua New Guinea, South Africa, and India. Lois passed away on May 30, 1995, and Dr. Bob followed her home on November 21, 1996. They are survived by two sons and two daughters, all of whom attended NNC.

It is the family's desire that this scholarship help to further Dr. Bob and Lois's spirit of sharing Christ with the world through medical care and loving commitment to others.
