This scholarship is established by Paul and Roxie Miller because of their deep love and appreciation for Northwest Nazarene College and their desire to assist young people to attend. Paul was raised on a farm near Molalla, Oregon and Roxie was raised on a farm near Ontario, Oregon. They, along with nine of their brothers and sisters attended Northwest Nazarene College, with Paul and Roxie both graduating in 1958. They were married a few months after graduation and both taught in public schools for several years.

After Paul completed a doctorate and Roxie completed a master’s degree at the University of Wisconsin in 1969, they returned to NNC where Paul began teaching in the Department of Education and Roxie taught in the Business Department for several years. Paul served as Director of the Educational Media Center for more than 25 years and several years as Director of Information Resources.

All three of Paul and Roxie’s children along with their spouses graduated from NNC and continue their support of the college as they return each year for homecoming activities. This scholarship is provided to assist some of their lineal descendants as well as other deserving young people to attend Northwest Nazarene College and become involved in the NNC experience.
