The Dr. Charles A.
and Pearl L. Witte

SCHOLARSHIP

IN HONOR OF DR. ROBERT WOODWARD

Charles A. Witte was born in Twin Falls, Idaho in 1944. Dr. Witte was extremely grateful to receive a full tuition scholarship to Northwest Nazarene College (University) where he attended from 1963 to 1968. He also served as assistant to the department of English for those five years. Following his graduation, he continued graduate study at Texas Christian University where he received a doctorate in 1973. He completed a second doctorate in counseling at Christian Theological Seminary in 1981. Doctor Witte has been a pastor and counselor for 35 years, but he has never forgotten the high ideals and consistent Christian love that he experienced and was taught at NNC. Throughout his career Rev. Witte has healed and baptized and cared for thousands of individuals, none of which would have been possible without the excellent education he received at NNC.

Pearl L. Witte’s life-long ambition was to be a teacher. She graduated from NNC in 1967 and completed her master’s degree at the University of Illinois in 1981. She is currently a teacher and administrator of Title I programs in Pontiac, Illinois. Like her husband, she has a deep appreciation for the powerful difference that Christ makes in the education of young men and women.

During the five years Charles and Pearl studied at Northwest Nazarene College, Dr. Robert Woodward deeply affected their lives. A dedicated and disciplined scholar who demanded the best from his students, he injected a rich and constant flow of new concepts and insights into their academic studies. In addition he communicated a deep idealism and Christian concern of far greater importance in their later lives. Charles and Pearl learned the importance of Christian compassion as they experienced it from Dr. Woodward, the epitome of a Christian educator.

"May the recipients know that our prayers and God's blessing
go with them into their rich life of service." - Charles and Pearl Witte
