

Title IV Federal Student Aid Satisfactory Academic Progress Appeal Application and Instructions

To be eligible to receive Title IV federal student aid (i.e., Pell Grant, Teach Grant, Direct Student Loan, Perkins Loan, FSEOG, Work-Study, Nursing Loans, PLUS Loans), students must maintain satisfactory progress as stated in Northwest Nazarene University's Financial Aid Satisfactory Academic Progress (SAP) Policy. This policy complies with the U.S. Department of Education federal regulation Section 668.32.

The Financial Aid Office reviews academic progress after each semester. Students who do not meet the satisfactory academic progress requirement are notified of their ineligibility for institutional and federal aid and have the option to appeal. The submission of an appeal application DOES NOT GUARANTEE the reinstatement of cancelled aid.

Recognizing the often personal and sensitive nature of a student's request, the appeal materials are held in strict confidentiality. It is important to complete and submit this application in the manner described, for review by the Appeals Committee. The Committee is comprised of representative from the Office of Financial Aid, Student Accounts, Accounting, and the Center for Academic Success and Advising. Some examples of reasons for an appeal may include:

1. The death of an immediate family member (parent, spouse, sibling, child, grandparent, in-laws).
2. Serious illness (physical or mental) of the student that may have necessitated withdrawal from all classes in order to recover, or that may have contributed to the student doing poorly in his/her classes.
3. Serious illness or injury of an immediate family member that required extended recovery time.
4. Significant trauma in the student's life that impaired his/her emotional and/or physical health.
5. Other documented unexpected circumstances beyond the student's control.

Students are notified in writing regarding the outcome of the appeal. Students granted an appeal will be placed on Financial Aid Probation and receive their institutional and federal aid for that payment period. The denial of an appeal does not prohibit students from enrolling at NU.
